

Getting started

How to sign in.

You will be able to

- Sign in to TDMP and reach the other RTB systems
- Know why a session ends, and what happens when it does

Before you start

WHAT	DETAILS
An account	Created for you by an RTB administrator. See Getting an account.
Your e-mail and password	The address the account was created with, and the password you chose.
A browser	Google Chrome, Microsoft Edge or Firefox.

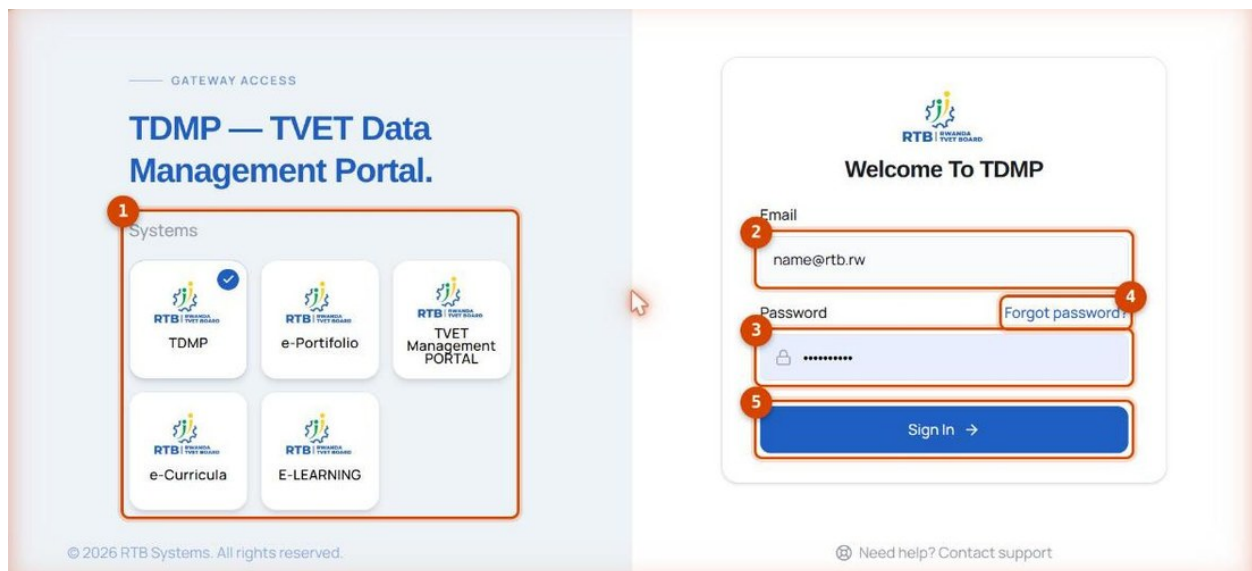

WATCH OUT

You will be signed out automatically

If you leave TDMP untouched for five minutes it signs you out and returns to the sign-in screen. Nothing is lost — sign in again and carry on.

Signing in

1. Open TDMP in your browser.
2. Leave the tiles on the left alone — TDMP is already ticked. Pick another tile only if you want to land in that system instead.
3. Type your e-mail, then your password.
4. Click Sign In.

- 1 The other RTB systems — sign in here, land there.
- 2 Your e-mail.
- 3 Your password.
- 4 Forgotten it? Click here and follow the e-mail.
- 5 Sign In.
